

Our House *aged*

Rum

Our unique extra aged 10 year old rum old is distilled by Saint Lucia Distillers using both pot and column stills producing an aromatic fine spirit.

Following extensive aging in old Port barrels our premium rum is then aged at Cap Maison using the “Solera” aging system in single 10 liter white oak medium toasted barrels guarantying a consistent and superior quality.

Our fine island rum would be mixed with seasonal fruits & herbs, named by us “Cask Elixir”

We have melded the flavours of this long forgotten plantation pick-me-up into our very own classic cocktail expression served in copper.

Immerse yourself in everything that is Cap Maison and experience the Lucian promise of the exotic with our tribute to local handcrafted artisanal produce.
